 AN ACT OF DESTRUCTION

PEACE RIDE

Friday, March 28

Vancouver Art Gallery

Meet and rally at 5 pm

Ride at 6 pm

In this time of destruction thinkers and activists are calling on the Global Peace Movement to begin creating a better world. We need to think beyond what we oppose, towards what we need.

Bring your bicycles, skateboards, rollerblades or other non-motorized forms of transportation for a leisurely ride and celebration of peace. Bring your family and your friends.
